SUMMARY OF THE REASONS FOR DECISION:

The DVD *Women On Top* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

Women On Top contains a title previously examined and classified as a VHS/PAL video recording by the Office of Film and Literature Classification. The video recording was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" with the descriptive note "Contains explicit sex scenes", the decision dated 15 March 1999.

The DVD version of *Women On Top* contains additional material comprising seven trailers for sexually explicit features, still images from the feature, background information about the making of *Women On Top*, and biographical details about four of the women participants in the feature. There is nothing in the DVD version that requires an alteration to be made to the classification given to the video recording version of the publication. Therefore the previous classification *Women On Top* as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years" is appropriate, with the same descriptive note.
